Are you interested in a weekend experience that will revitalize your life? Discipleship Walk creates an environment for you to grow spiritually into a closer relationship with Christ and to become more intentional and mature in your faith. By taking time out of your normal schedule, God is able to do some invigorating things to your heart and soul. Our focus for the weekend is on discipleship and providing you the opportunity to experience God's love in a tangible way.

The Discipleship Walk is a unique 3-day weekend event that is probably unlike any other you may have experienced. Many who have attended consider it one of the most meaningful, memorable experiences of their lives. It is designed to result in spiritual renewal for the individual and spiritual growth within the church overall.

The Discipleship Walk begins on Thursday evening and concludes around noon on Sunday. The weekend consists of a series of talks and personal testimonies, group discussions, chapel times, praise & worship, entertainment, some special surprises, and of course, lots of food! It is a great opportunity to connect with others and make lasting friendships.
